Industrial Attachment

The Industrial Attachment provides students the opportunity to undergo 6 months internship in the retail industry. Typical establishments range from small businesses such as retail shops, supermarkets and convenience stores through to large, globally recognized hypermarkets and department stores. Students will be able to apply their academic learning via hands-on learning in real life scenarios.

The Industrial Attachment forms a critical part of the overall assessment. Students are expected to complete their work-based assessment in the form of the Industrial Attachment Logbook during the 6-month period.

A training work permit is required to undertake the Industrial Attachment. The application for training work permit is subject to approval by the Ministry of Manpower. Students who are unable to secure the training work pass will have to successfully complete and submit an assignment for the module under IA.
